Work experience

Design Intern

Deeplocal | Pittsburgh, Pennsylvania
May 2015 - August 2015

Worked as a design intern at an innovation studio alongside industrial designers and developers to craft experiences for the brands Google, Netflix, and Nike. Was responsible for brainstorming concepts, creating visuals, and designing user experiences.

Freelance UX/UI Designer

Datasquid | Pittsburgh, Pennsylvania
May 2015 - August 2015

Worked with a small data visualization start-up to help redesign application interface, improve basic features of software and create demo videos for on-boarding.

Teaching Assistant

Carnegie Mellon | Pittsburgh, Pennsylvania
January 2015 - Present

Assisted in teaching three courses: Type I Studio, Type II Lab, and, Advanced Web Design.

Freelance UX/UI Designer

Rijjuven | Pittsburgh, Pennsylvania
October 2014 - May 2015

Worked with a medical device company to design a mobile application that pairs with a wearable device to help prevent the formation of pressure ulcers.

UI/UX Intern

+Citizen | Portland, Oregon
May 2014 - August 2014

Worked as the UI/UX intern for a mobile innovation firm. Was tasked with completing UX research, aiding in art direction, and creating UI visual assets for projects with AT&T, adidas, Kijiji, and T-Mobile. Worked closely with PMs, developers, and motion designers.
